

Rules of Classes in Radiology

1. Student is obliged to arrive on time. The classes last for 2 hours and 15 minutes. Late arrival (over 15 minutes) counts as an absence and the student will not be allowed to attend these classes.
2. Student is allowed to be absent once during the course in Radiology. The second absence in the semester will be immediately reported to the Dean's Office. Student may attend the classes with another group but only dealing with the same subject.
3. Every class starts with a 10 question introductory multiple choice test. Student has to score 6 points or more in order to pass the test. Students who score 5 or fewer points have to re-take the text during the next class.
4. The grade in Radiology will be based on the average of scores achieved in introductory tests and theoretical final test.
5. Student is present in the Computer Classroom or Small Classroom of the Department of Dental and Maxillofacial Radiology of the Medical University under supervision of a teacher.
6. Student is allowed to use computer for learning purposes under supervision of teacher and only according to his/her indications.
7. Members of the Student's Scientific Society at the Department of Dental and Maxillofacial Radiology of the Medical University are allowed to use computer for scientific purposes under supervision of teacher and only according to his/her indications.
8. Student is obliged to abide by the rules and obligations resulting from the provisions of the Codex of Medical Ethics as well as generally approved norms of scientific research.
9. Student is obliged to wear a clean doctor's gown and protective footwear during classes. Students carrying coats or jackets will not be allowed to attend the classes. It is the cloakroom which is the proper place to store coats or jackets. The classroom is not a cloakroom.
10. Student is obliged to take care of his seat (including computer and furniture) and will be charged for any misuse or created damage.

11. Student is not allowed to install any computer software or plug in any external devices (e.g. Flash Memory).
12. Student is not allowed to change computer settings on his own.
13. Student is not allowed to bring any food or drinks to the Computer Classroom, Small Classroom or X-ray Lab.
14. It is not allowed to use mobile phones during classes. No video or voice recording is allowed. It is allowed to take photos of the white board for educational purposes.
15. After the end of classes student is obliged to properly log out and turn off the computer, unless teacher's recommendations are different.
16. After the end of classes teacher is obliged to check whether all computers are turned off, windows closed and properly lock the door.
